"To enhance people's enjoyment of Buck Lake now and for future generations"

Buck Lake News – 2008 April Up-Date

Principal writer: Roy Mills

Earth Week 2008

Once again this year the BLA is partnering with the South Frontenac Natural Environment Committee to support Pitch-In 2008. We have a supply of bright yellow bags for members to use for spring clean up along the roads of the Buck Lake community. During the week of April 26th to May 3rd we encourage everyone to take the time to "pitch-in" and collect the harvest of a long winter. Those items that can be recycled can be placed in your Blue Boxes and of course you are welcome to put a down payment on a new boat with the money you make from all the beer cans and bottles you find. For all other materials collected, use the bright yellow garbage bags and place them out with your garbage for regular collection.

We have a supply of bags available for Buck Lake residents. You may pick them up from Roy and Sandra Mills at 7949 Perth Road (first driveway north of the Causeway on the north side) on April 26th a.m. or call them at (613) 273-7724 to arrange an alternative pick-up time. We hope as many people as possible will make the effort to make a difference. We are planning to focus on the Perth Road as much as possible but all the roads and lanes around our lake need our attention. We hope to see yellow garbage bags all around the lake over the next two weeks.

Pitch-In Program& Give-Away Days- Apr. 21-May 3.

Pitch-In garbage bags will be available to encourage residents to pick-up litter in their neighbourhoods.

We are asking participants to sort and recycle any articles that can be recycled in their blue boxes. Litter bags will be picked up by the garbage contractors on your usual day---no tag required.

****New This Year**** Apr. 21-May 3 Place articles to give away at the end of your driveway for the two-week period. Any articles remaining must be removed by the resident by May 4. Perhaps your road or area could organize a trip to WSI, Kimco or your local dump---splitting the cost. No pick-up will be arranged by the Township.
